

**Cervical Cancer Awareness Week**  
**October 24 - 30, 2010**

**Cervical cancer is preventable.**  
**You are part of the solution.**

# Time is Precious

Pap tests save lives. It takes very little time to conduct a Pap test.

Devote one or more working days during Cervical Cancer Awareness Week to the National Pap Test Campaign:

- Extend your working hours specifically to conduct Pap tests.
- Offer your services to conduct a public Pap test "clinic".

or

Your time and commitment are precious to the success of our campaign.

**Register now!**  
(Complete form on back or online at: [www.fmwc.ca](http://www.fmwc.ca))

Partners:

Supported by:

Society of Rural Physicians of Canada  
Société de la médecine rurale du Canada

Supported through an educational grant from:

**Cervical Cancer Awareness Week  
October 24 - 30, 2010**
